How to maintain qualification for services

1. Be enrolled, attending and making positive progress toward achieving a high school diploma or GED.
2. Once youth has achieved his/her high school diploma/GED, youth must engage in a higher education program, attend college/university, vocational training program or certification program.
3. Documentation of progress must be provided frequently for ongoing program eligibility
4. Youth must meet with his/her worker in-person once every 90 days and contact worker via email, text, or phone every 30 days
5. Must not be receiving SSI payments
6. All services end the day prior to youth’s 21st birthday.
