

Represent a child through the Children's Attorneys Project (CAP)

Pro Bono CAP attorneys provide representation to abused and neglected children. When you serve as an advocate, one less child will be re-victimized by the legal process.

We will provide you with training and a mentor.
You will provide a voice for a child.

CAP New Volunteer Orientations are offered twice per month. To take a case and attend a 1-hour Orientation, please RSVP to Linda Gutierrez at (702) 386-1413 or lgutierrez@lacsnc.org.
