When: Friday, September 17, 2021 – 12:00 p.m. to 1:00 p.m.

Title: Fundamental Techniques for Advanced Representation

Where: Webinar through RingCentral Meetings

What: This presentation is designed to help improve the quality of representation provided by practicing child welfare attorneys in the State of Nevada. The presentation focuses on reemphasizing the supremacy of the law as an authority in child welfare cases and illustrates a method that has demonstrated success in harnessing that authority to provide improved client outcomes. Additionally, a significant portion of the presentation is devoted to an in-depth examination of the statutory rights of children in foster care and how those rights can be claimed. Although newer child welfare attorneys will benefit from this training, the target audience is attorneys who have been representing children for at least two years.

Presenters: Patrick Hirsch, Esq.
